S. Res. 612. A resolution expressing the sense of the Senate that the tragic death of George Floyd was unjust and the perpetrators must stand trial and be brought to justice, the First Amendment of the Constitution guarantees individuals the right to peaceably assemble and protest, groups like Antifa and the individuals who took over peaceful protests with violence, chaos, looting, and destruction should be held accountable for their actions, the attacks on law enforcement, individuals, small businesses, and communities are causing death, injury and millions of dollars in damage, the vast majority of men and women in law enforcement work tirelessly and risk their lives to protect the people of the United States without prejudice, police departments are the cornerstone for maintaining a society of order, calls to defund the police threaten the safety and security of the people of the United States, Congress will continue to appropriate funding to local law enforcement agencies that bolster police efforts, and the Nation must come together in healing, reconciliation, and prayer to reaffirm that every life is sacred, our society must strive for equality, and that we will work to ensure a tragedy like George Floyd's never happens again in the United States; to the Committee on the Judiciary.
